

SUBMITTING THE COMPLETED SURVEY

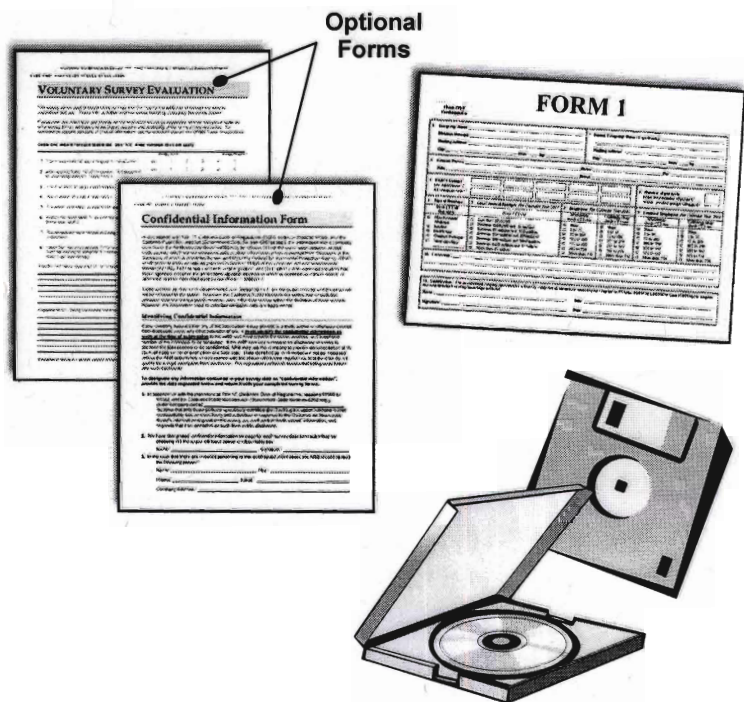

This section provides details about the two options for completing and submitting the survey (electronic and hardcopy options), how to submit the survey once complete, and how to submit product labels. Choose only one submission option, *either* the electronic option *or* the hardcopy option as described below.

Electronic Option

An interactive electronic version of the survey is being offered to assist you in filling out the forms. To save time, the electronic version will automatically fill in duplicative areas on the forms and allow you to generate reports after entering the survey data. To simplify and streamline the data gathering process, we strongly encourage using the available electronic submittal option.

Responsible Parties: The electronic version for responsible parties allows you to type your responses to FORMS 1, 2, 3, and 4 (if applicable). Following the entry of all required data, the information should be saved to a CD and mailed to the ARB, along with a completed hardcopy of FORM 1. If applicable, include one hardcopy of the Confidential Information Form and the Voluntary Survey Evaluation. Note that while most information on FORM 1 can be entered electronically, an original signature is required (thus, a hardcopy must be sent to the ARB).

Contact ARB Staff at (916) 322-7072 or csmrprod@arb.ca.gov to request the electronic version or for questions regarding the electronic submittal option.

Mailing

Return the completed survey to one of the addresses below by November 21, 2007.

Regular Mail:

California Air Resources Board
P.O. Box 2815
Sacramento, CA 95812
Attn: SSD, Measures Development Section,
2006 Survey
